

Hogs House Giving Guide

Thank you for your interest in giving to Hogs House at Children's Hospital! Your generosity will allow us to continue to provide accommodations for our extraordinary patients and families. Below is a list of the current needs at Hogs House:

1. **Donation opportunities to stock the house:** see Wishlist below
2. **Provision of gift cards to help families with meals:** any are appreciated, but closest in proximity are Reginellis (Pizza/Sandwiches), Wendys, Toast (Breakfast/Lunch), St. James Cheese Company (Sandwiches/salads) and PJs Coffee. Waitr gift cards for food delivery are also great! Whole Foods and Winn Dixie are the nearest grocery stores.
3. **Providing/serving a hot meal for families:** the house does not have a kitchen to make food, but if a group wants to bring in a homemade or catered meal, we are more than happy to have them!
